

Chalet - Argentière

Discover this magnificent mountain property, a spacious chalet of 170 m² located in the popular La Rosière area, only a few steps from the Grands Montets ski slopes. This chalet has a warm living room with a beautiful fireplace, a bright loggia, a fully equipped kitchen and an office with direct access to the landscaped garden. Upstairs, you will be seduced by the 2 large bedrooms with balcony, offering a superb view on the surrounding mountains, as well as a renovated bathroom and an independent toilet.

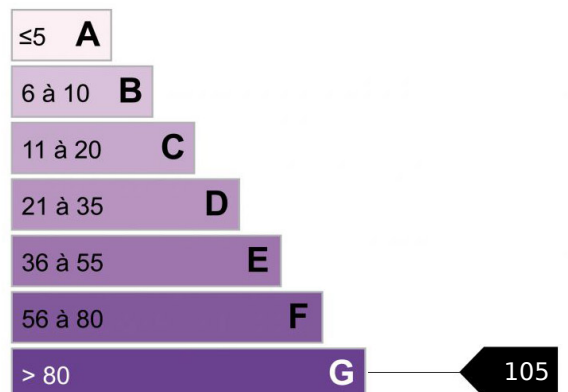

As a bonus, this exceptional property includes a totally independent studio, perfect for guests or to generate rental income. The whole is built on a large plot of 1096 m², offering a peaceful and privileged environment to fully enjoy your vacation in the mountains. Don't miss this unique opportunity to own your own dream chalet in the French Alps.
